GOP to Hear Percy at Top Level Confab

Charles H. Percy, the Chicago corporation head who chaired the 1960 Republican Platform committee, will speak at the Illinois Young Republican State Board meeting Sunday, July 23, at the Illinois Beach State Park Lodge, north of Waukegan. The two-day YGOP confab, hosted by the Waukegan Young Republican group, will include an informal outdoor Bar-B-Q on Saturday.

Percy, chairman of the board for Bell & Howell and former chairman of the GOP Committee on Program and Progress during the Eisenhower administration, worked his way through the University of Chicago where he was University Marshal to Chancellor Robert Maynard Hutchins. This is the highest award given to a university senior.

Upon the death of the firm's president, he assumed that position and was elected chairman of the board and chief executive early this year. Percy, who lives in Kenilworth, was named one of the ten outstanding young men by the U. S. Chamber of Commerce in 1949.

In 1958, the young Florida native attended the presidential inaugural ceremonies in Peru and Bolivia as a personal representative of President Eisenhower, with the rank of special ambassador. He was the recipient of the 13th annual Foreign Trader's Assn. Award.

Richard Love, of Waukegan, is chairman of the July 23 meeting. He said approximately 200 out-of-town members are expected. Assisting with arrangements are: Peter J. Nordigan, ticket chairman; Eugene McGaughey, dinner arrangements; L. O. Valentine, Jr., refreshments; and Marlene Abdula, publicity.

Corvette Club Cards Swim Party Saturday

The Chain O' Lakes Corvette Club will hold a swimming party at the Antioch Aqua-Center, North Main St., at 9 p.m. Saturday, July 22.

The public is invited to attend.

New Jaycees To Petition For Charter

The Lake Region Jaycees expect to apply for a charter at the next meeting of the group, Monday, 8 p.m. at Gino's Restaurant in Channel Lake.

The newly-organized community organization has 23 paid up members, with some 18 additional men indicating their interest in Jaycees work. A paid-up membership of 25 entitles new Jaycees to charter by state and national.

In announcing the meeting Monday, acting president Robert Lubke revealed that membership is open to men between the ages of 21-35.

"Every man has a stake in his community," said Lubke in inviting eligible men to join the group. "Membership in the Jaycees is the perfect service opportunity available to young men today. It offers direct and tangible personal returns. The Junior Chamber meets the needs of young men," he said.

Board to Chart School Budget

A report by the budget committee of District 117, Board of Education, was expected to be presented when the board met July 19 (Wednesday) at the high school. Robert Denman and Milburn Cain will present the report.

The report is a prelude to public hearings on the high school budget tentatively set for Aug. 30.

Also scheduled was the reception of bids for stripping sod from the area on which the new high school addition will be built. Board members feel the sod can be put to good use on the new athletic field currently being prepared on the 19-acre site east of the Soo Line tracks.

Other business scheduled includes consideration of fuel oil bids and a report on student accident insurance during 1960-61. This report will clarify certain details for board members before 1961-62 insurance contracts are signed.

Action Waits Lake County Fairgoers

More than \$15,000 in prizes will go to thousands of exhibitors and performers in Lake County's 33rd annual Fair and 4-H Club Show July 26-30 at the Fairground near Grayslake.

More than 1300 4-H members with some 2,000 exhibits, and 1,000 ponies from the 'three-state' area are expected to be among highlights of the five-day event.

There will be plenty of action for fairgoers. Starting at 10:45 a.m. Wednesday, 75 4-H members will stage a horse show to set the pace for action which continues through Sunday.

Among chief attractions at the fair will be: a mass presentation by some 200 4-Hers with stunts, dances and musical numbers at 8 p.m. July 26; a dog performance show starting at 9 a.m. Friday, July 28; the Class A, all-Shetland Pony Show at 1:30 p.m. Saturday, July 29; Calzavara Bar M Ranch Rodeo, held at 8 p.m. July 27, 28 and 29, followed each evening by a huge fireworks spectacle; horse show Sunday at 9:30 a.m. and continuing with performance classes at 1 p.m.

Exhibits, open each day, will include: clothing, food, handicraft, agriculture, photography, cattle, animal care, automotive and many others.

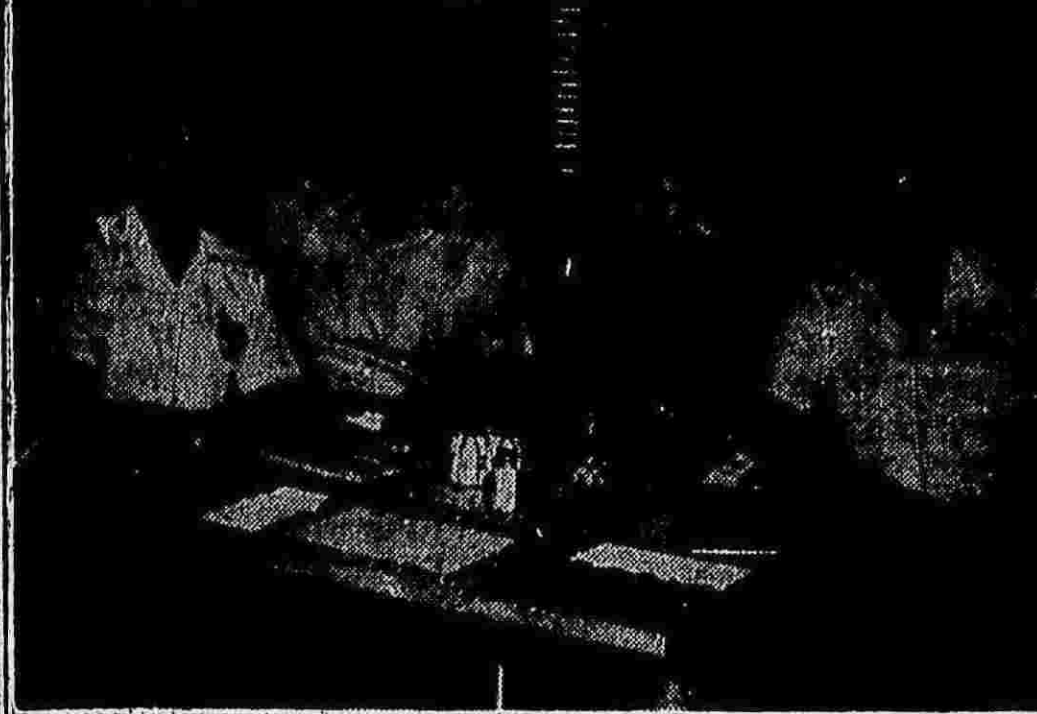

Judging of livestock will be done as follows: dairy cattle, July 27; beef cattle, July 28; sheep, July 29; sheep fitting and trimming, July 30; swine, July 28; goats, July 27; rabbits, July 26.

All other 4-H exhibits will be judged on Wednesday, July 27.

State Grants Charter To Heating Firm Here

The State of Illinois has granted a charter of incorporation to Oil Heat Service Co., 812 Broadway, Antioch, it was revealed this week. The firm engages in the sale and service of all types of heating and air conditioning equipment and allied functions.

Principals are Wilbert V. Lahti, Russell V. Rendall and Ronald D. Gaa. Correspondent is Ted C. Larson.

ARRANGEMENTS for Antioch's fourth annual "Maxwell Street" Sale Aug. 3-4-5 are being handled by the Chamber of Commerce retail committee consisting of (left to right) Russell Barnstable, Stanley Toton, Marion Pochousek and Robert Callaway. The group was joined by John L. Horan, executive secretary, in a recent meeting to plan the event.

Street Sale Plan Mapped By Merchants

The Chamber of Commerce was this week putting final touches on the "Maxwell Street" sale scheduled August 3-4-5 by Antioch merchants and businessmen.

During the sale, stalls and counters will be set up on Main street in a style reminiscent of the famed Maxwell Street in Chicago.

Here, merchants will display sales items.

Also planned in conjunction with three-day event is the appearance of the famous Cole Circus for two performances on Friday, Aug. 4.

Early that morning the circus fleet of 20 trucks carrying more than 300 animals, 40 performers and tons of equipment and tentage, will pull into the Village parking lot and begin setting up for afternoon and evening performances.

Circus officials announced that the public is invited to watch the circus set up beginning at 7 a.m. Aug. 4.

Planning the three-day event is the Chamber's retail committee consisting of Russell Barnstable, Stanley Toton, president, Marion Pochousek, Robert Callaway, and John L. Horan, executive secretary.

Board to Tour Chain O' Lakes

Lake County supervisors will take a boat trip through the Chain O' Lakes next Tuesday to bone up on conditions as background for problems they will face in future sessions.

In announcing the trip, Board Chairman Karl I. Berning said the purpose was to familiarize members with the area in view of future sewage disposal, rezoning and other problems.

The schedule calls for visits to Channel, Bluff, Marie and Catherine lakes, Fox River, and Grass, Fox, Nippersink and Pistakee lakes.

Champ and Friends

A three-time winner in the annual Salem Cub Scout Soap Box Derby is Calvin Maule, shown seated in his pace-setting car.

Young Maule won the third annual derby in Salem July 12 there, in a close victory over Jim Grumbeck. Both were clocked in 20 seconds in time trials. In a re-run, Maule gained three seconds in running the hill in 17 seconds, while Grumbeck could pick up only one in negotiating the hill in 19 seconds.

Second place ribbon went to Dennis Mertan, third to Wayne Olson, and fourth place honors to Billy Erdman.

Others competing were Scott Kasparek, David Langly, Larry Frietag, Gary Olson and Ted Weishaar.

Surrounding the champ in the picture above are, left to right, Bill Thompson, Cal's brother, Ian, and Steve Paulsen.

Library Plans for 'Maxwell Street' Days

The Antioch Township Library will participate in Antioch's "Maxwell Street" days Aug. 3-4-5 in disposing of surplus books. The library will work from a stall at the State Bank of Antioch.

Donations of bound books and paperbacks from stocks supplied by donors will also be sold during the sale.

Proceeds from the sale will go into the library building fund. All wishing to donate books to the library for the three-day sale may leave them at Williams Hardware Store, North Main St., any time up until the start of the sale, Aug. 3.

Sewers and Water Take Biggest Bite

The Board of Trustees has appropriated \$745,150 for expenses to run the Village for the fiscal year May 1, 1961-April 30, 1962.

The action was taken at a special meeting Tuesday.

The appropriation is broken into two sections—\$465,450 for the corporate general fund, and \$279,700 for water and sewerage.

The latter will be paid from revenue received for water sales and sewer service fees and other miscellaneous receipts within the water and sewer department.

Biggest item from the corporate fund is \$40,300 for the street department. \$30,500 was appropriated for the police department. Other appropriations within the corporate fund are: \$10,550 for department of public works and buildings; \$10,850 for the fire department; \$6,150 for administration; \$4,700, department of accounts and finance; \$200 health department; \$2,200 legal department.

Also: \$7,000 parking meter fund; \$1,000 insurance fund; \$2,000 parks and playgrounds maintenance; \$2,000 social security contribution fund; \$10,000 off-street parking fund; \$500 civil defense; \$1,500 police magistrate; \$10,000 general contingent fund.

In the water and sewerage fund, \$525,000 is set for water and sewerage improvement; \$49,900 is earmarked for such items as equipment repairs, salaries, supplies, property purchase, meters, pipes, heating, supplies, cleaning, etc.

Village planning was allotted \$2,500, and \$2,300 set for sinking funds for fire station bonds.

Appropriation of these funds does not mean the total amounts will be spent. All unexpended balances to separate funds may be transferred to any other fund to make up deficiencies in any item of the appropriation. Conceivably, unexpended funds could be held over for use in following years.

In other action, the board approved an ordinance authorizing a one-half of one percent sales tax. This is a continuation of the one-half percent Village tax, and will be added to a state sales tax of 3 1/4 percent on all sales.

The full text of both ordinances will be published in the July 27 issue of The Antioch News.

A Landmark Bites the Dust

A well-known residential landmark went the way of progress here last week as construction men razed the 60-year-old Dupre residence at 768 North Main.

The residence, occupied until recently by Dr. Earl J. Hays, was demolished to clear the site for the \$250,000 Coral Apartments.

Contractor Robert Bemis came up with a unique method of demolishing the fortress-like structure. Cables were looped through corner windows and attached to a Caterpillar 966. The cat turned on the power and ripped out supporting corners. After this operation, it was just a matter of leveling the remaining debris, transporting it to fill an excavation which will support apartment garages, and bringing the site of the house to grade with surrounding land. The operation took less than a day to accomplish.

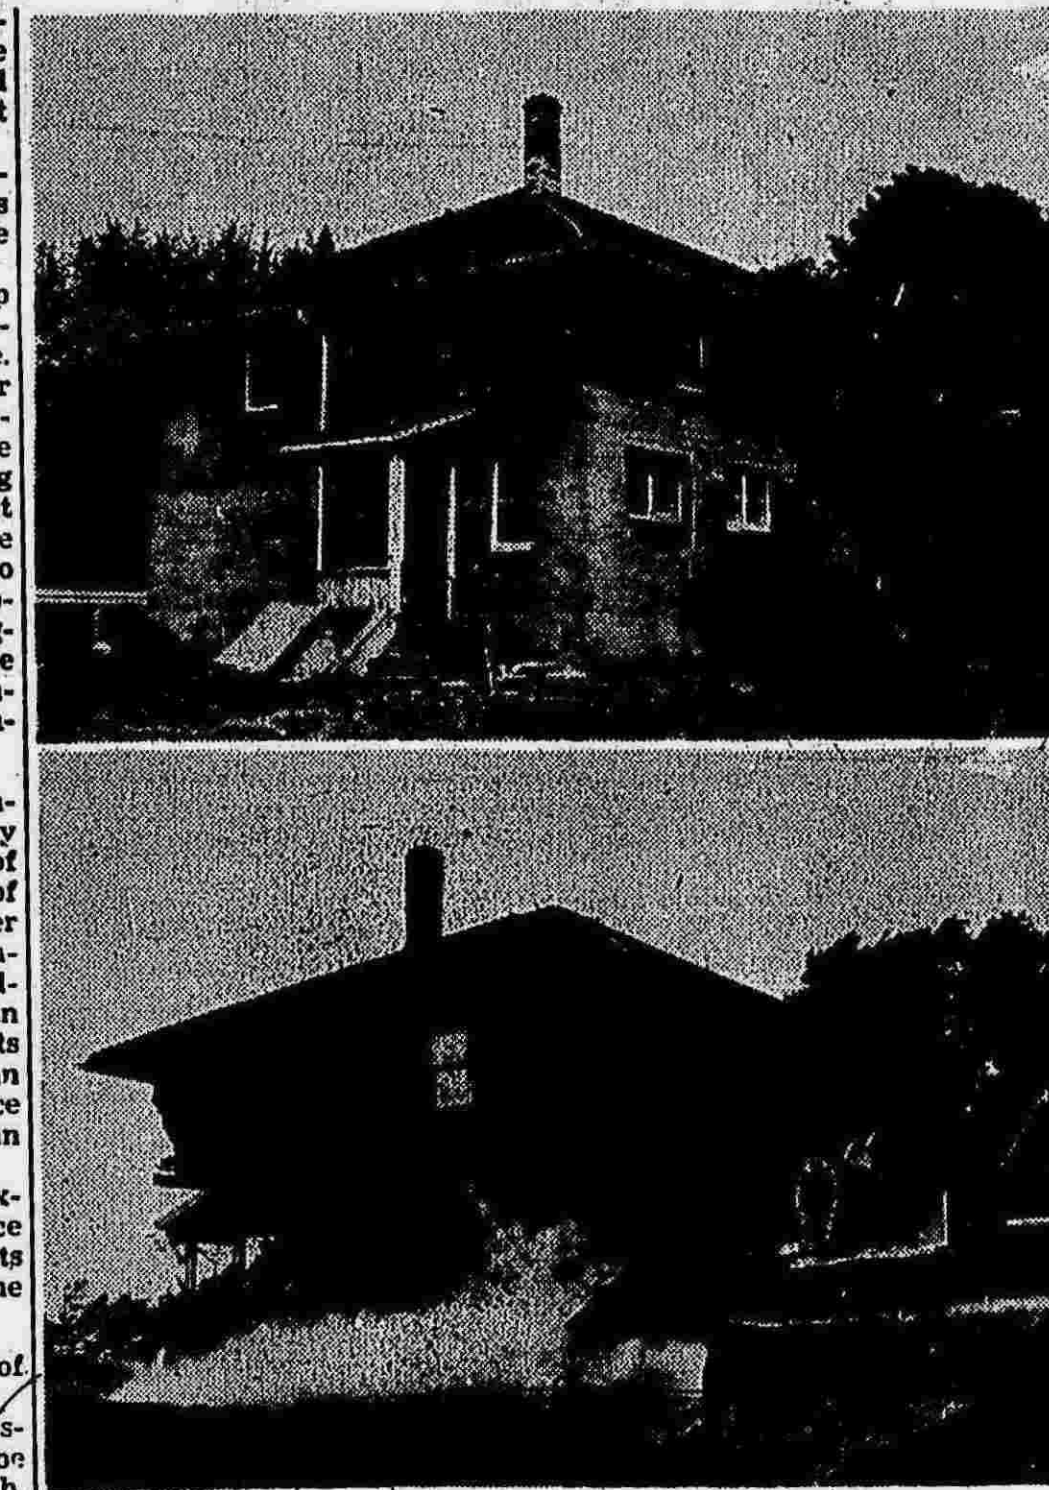

The Dupre residence was constructed at the turn of the century by the late John Dupre, father of John Dupre, owner-developer of the Coral Apartments. The elder Dupre incorporated several innovations in the old structure. He hand-made the concrete block used in construction. The 4x8-inch units were laid up in cavity wall—an outer wall 4 inches thick, air space ranging up to 2 inches, and an inner wall.

This method is considered, extremely efficient as the air space serves as an insulator and prevents any moisture from penetrating the inner wall to the interior.

The first floor and portions of the second were of concrete.

The Coral Apartments, now rising on the site, are expected to be ready for occupancy next month. The 12-unit complex occupies a structure 320 feet by 40 feet, with the narrow dimension facing Main Street. It will be one story, basementless, consisting of two wings of six apartments flanking a center core for service facilities.

Basic structure will be masonry, combining brick and block for rear and end walls. The front elevation,

VIEWS of old Dupre residence on North Main, demolished last week to make way for new apartment complex. Structure was demolished by stringing cables through corner windows and pulling with a tractor. Reporter and fellow travelers had a time flipping rocks through windows immediately prior to the razing.

and two bedrooms. Recreation space and parking area will be provided.

Architects are Jones & Duncan, Highland Park.

Teenage Authors To Compile Book

Writing has entered the field of the summer reading program at the Lake Villa Township Library, announced Mrs. Ted Belke, library. This activity is open to those entering 8th grade through the last year of high school.

This is a chance for area teenagers to combine their writing talents and compile their own book which, upon completion, will be placed on the book shelves of the library.

The subject matter will cover anything of interest to the teenager: manners, outlook on world affairs, dress, customs, humor, etc. Both prose and poetry will be welcome.

Teenagers are invited to come to the Lake Villa Library to sign up for this writing venture.

Crime Commission Leases Office

A lease on office space in Waukegan for new headquarters for the Lake County Crime Commission was approved at a meeting of the board of directors of the Commission last week, John Haugen, of Highland Park, president, stated today.

At the meeting, three new members were added to the roster of Lake County business executives who are members of the Commission.

Reports were received from committees on crime statistics, membership, and operating staff.

ESSAY WINNER

A fourth award-winning essay on the Civil War, written by Georgia Goels, seventh grader at Grass Lake School, appears on page 3. The essay contest was sponsored by the State Bank of Antioch for students fifth through twelfth grades, as a part of the Civil War Centennial, June 23-25.

2 Girls Injured In Auto Mishap

Two Antioch girls were injured Sunday morning when a car in which they were riding struck a parked car in North Chicago.

Patricia Derrig, RFD 3, owner of the car, suffered injuries to her jaw, and Mary Lou Geist, also RFD 3, suffered minor injuries.

Driver of the car, William D. Savolevski, Great Lakes Training Center, told police he blacked out before the accident. He was charged with improper lane usage.

The other passengers were Sandra Stejski, Chicago, and Gerry Hoffman, Great Lakes. They were treated at St. Therese Hospital, Waukegan.

Youth Gets 1 - 8 Years In Prison

John Camillo, 18, of Antioch, who broke out of Lake County jail with two companions May 27 while awaiting hearing on burglary charges, was sentenced last week to from 1 to 8 years in prison.

Judge James Conney, McHenry County Judge sitting in Lake County Circuit Court, denied the youth's plea for probation and directed that he be committed to Pontiac state penitentiary to serve not less than the minimum sentence.

Camillo was sentenced for participating in the slugging-robbery of Robert Ehler, attendant in Vern's Service Station in Grayslake, last Sept. 30. He and two other youths admitted taking \$114 in the holdup and slugging Ehler with a gun.

Camillo is yet to be sentenced for the jail break in which the trio sawed their way out. Camillo and a companion were captured a few hours later near Waukegan. The third was captured near Waukegan.

Polio Season Is Here

When controversy leads to public enlightenment, we're all for it. But there are times when controversy results in public confusion, with disastrous results. This is particularly true when experts clash on technical points that cannot be grasped quickly by those of us without scientific background.

We hope the recent controversy over the relative merits of polio vaccines will not discourage parents from seeing that their families are given a full series of Salk shots immediately. This is the critical time of year when the unprotected are most exposed to the polio attack. The Salk vaccine is available now. It is more than 90 per cent effective in preventing paralytic polio. Those who have not been vaccinated are gambling against the possibility of being crippled for life through their own negligence.

Whether or not the Sabin live-virus vaccine is a better vaccine than Dr. Salk's is a matter for scientists and physicians to decide—later. The National Foundation, which financed all the research leading to both vaccines with funds contributed to the March of Dimes, gives sound advice which parents can follow. It points out that, since no live-virus vaccine has yet been licensed for distribution, since you cannot get live-virus vaccine from your physician, and since the present polio "season" will be over before mass production, licensing and distribution of the live-virus vaccine are completed, there is only one course of action for conscientious parents to pursue. Get your family started on a full series of Salk shots.

Millions of pre-school children and young adults are still without protection. These are the age groups most open to attack.

Don't let technical controversy confuse you. Vaccinate now.

The Navy's Slip Is Showing

In what we sincerely feel to be one of the most insipid, weak-kneed actions taken by official sources to date, the Navy has refused to let the Navy band appear at an anti-communist rally in Santa Monica.

"... might adversely affect international relations," says the Navy.

Indeed!

Since when are we to be concerned about what communists think?

Now if the Navy wants to enforce its traditional ban on appearances of any of its representatives at politically-backed rallies or enterprises with a profit motive, fine.

But what an excuse. "Sorry, but the communists might take offense."

And this a part of our Armed Forces which in training memos and directives up until but a few short months ago dubbed the eastern communistic nations as our potential enemies in training directives.

Why this concern for the feelings of a very definite and threatening enemy — more threatening than any who have ever faced us on the battlefield of a hot war, whose leader said recently — "We will bury you . . . your grandchildren will live under communism." . . . this squat little communist who so recently insulted our President and every American by his irresponsible, unpardonable rudeness and uncouthness on the Paris meetings — by his comic buffoonery more befitting a "Freddie the freeloader" when he attacked the UN sessions in New York.

Why this concern over an opportunistic, clever, cruel character who climbed over the unfortunate who dared oppose him as Stalin's confidante and who wormed his way to the top after "Uncle Joe's" death?

Navy, your slip is showing.

SIDELIGHTS from SPRINGFIELD

By Rep. PAUL SIMON

This session of the legislature is over, and this is the last column which will be written for the session.

In many ways it has been a depressing meeting of the legislature—depressing because things that should have happened, did not happen, and many bills which should not have passed, did pass.

It was marked by tax increases on those who can least afford them (the sales tax), and no tax increases on places where they could have come easily (the race tracks, for example). Even more ominous, the shadow of the power of the criminal world was seen on some legislation, defeating a much-needed crime commission and placing hurdles in the way of other constructive legislation to curb crime.

I have served four terms, but this was my most discouraging session.

It would be only fair to add that there was much good legislation passed also—and when action was taken against the public interest, in reality the people have only themselves to blame.

Most citizens pay little attention to what state government does, unless a bill is proposed which directly affects their profession or pocketbook.

During this past session I have heard from far less than one percent of the people in my district, and I received more mail than most legislators. In most districts in the state a majority of the citizens don't even know who their legislators are, and have even less of an idea how their legislators vote.

"It doesn't make any difference whether I do a good job or a poor job," is a comment some legislators frequently make. "No one in my district pays any attention to what I do anyway."

In one party caucus recently a legislator said, "I've probably voted for more bad bills than anyone here. I've always been reelected. You don't need to worry about voting for a few bad bills."

The difficulty with all of this is that those of you who are reading these words are probably not the offenders—although you perhaps

could do more to make your friends, neighbors, and organizations take a greater interest in what is going on.

In closing I want to thank my wife, who has been sending this column out each week to more than 300 newspapers; the editor of this newspaper, who has brought this column to you in the hope that you will take a greater interest in what is happening in government—even though he may disagree with what I've said from time to time.

Finally, my thanks to you who have been readers, who have been a part of that small, responsible minority which has taken an interest in our state government. In the words of an old poem, "May your tribe increase."

When Eve brought "Woe to all mankind,"

Old Adam called her woe-man; But when she woo'd with love so kind,

He then pronounced her woo-man. But now, with folly and with pride,

The people call them whim-men.

Governors Laud Boy Scout Goals

Governor Otto Kerner of Illinois endorsed the "character building and citizenship training" purposes of the Boy Scouts of America, and expressed support for the current "Together Program" of Scouting to bring Scouting to more boys.

The Governor's endorsement of Boy Scouting came as he joined the other 49 state governors at the just-concluded 59th Annual Governor's Conference in Honolulu, Hawaii, in unanimously adopting a resolution on Scouting.

The resolution read: "Whereas, sober reflections upon the conditions of the world today underline the need to build men of good character and high ideals for positions of leadership in the world of tomorrow; and

"Whereas, the Boy Scouts of America in its program of 'Strengthen America—Character Counts' endeavors to instill in the minds of youth the principles of good citizenship;

"Now, therefore, be it resolved that the Governors' Conference express its approval and support of the Boy Scouts of America 'Together Program' whose purpose is to make Scouting available to more boys in all our states."

In hearing of the resolution, William D. Shaw, president of the North Shore Area Council, Boy Scouts of America, which serves the 9784 Scouts in the area, said: "We are especially pleased to have Governor Kerner's support at this time. The effective training of youth in good character and intelligent citizenship was truly never more important. His endorsement of our efforts to 'Strengthen America' is most welcome as we build character that counts."

Youths Return from New York Vacation

Forrest Stahmer, 965 Spafford, Antioch, and David Hay, 2300 Briar Lane, Lindenhurst, have returned from a week-long vacation in New York City. They stayed at the New Yorker Hotel and took in such sights as the Empire State Building, UN Building, Broadway, Statue of Liberty, Staten Island and Greenwich Village.

They saw several stage hits including "The Unsinkable Molly Brown," with Meredith Wilson, "Do Re Mi" with Phil Silvers and "Bye, Bye, Birdie."

Break Ground For Church in Lindenhurst

Groundbreaking ceremonies were held last week on the site of the proposed St. Mark Lutheran Church in Lindenhurst.

The church will be located on Grand Avenue in that community. Participating in the ceremonies were the secretary of the American Lutheran Council of Churches of Illinois, the Rev. Weeg, the Rev. Langhough of Trinity Lutheran Church Long Lake, church officials and principals in the planning and construction of the new edifice.

Also present were acting trustees, William Kaub, Robert Randall, Bert Langager, Gustav Fabry, Leland Hansen, and their families, parishioners and friends.

Absent from ceremonies was the Rev. Harold Nelson, pastor of the new church, who left with his family to attend the funeral of his father.

The modern, one-story brick building was designed by architects Holland & Borregard, general contractors of Waukegan.

Excavation is now in progress and the contractors are shooting for a completion date in November.

The parsonage is being constructed on Burr Oak Lane and is expected to be completed in September, at which time the Rev. Nelson and his family will arrive to take over their new duties at the church.

Inquiries concerning the new church should be directed to Bert Langager, EL. 6-7936, or Gene Fanning, EL. 6-5474.

AMERICAN CIVIL WAR

The Civil War lasted four years between eleven Southern States and the Northern States to preserve the union. The population of the Southern States was slightly over half the population of the Northern States. The Civil War started on April 12, 1861 when the South started to shoot at Fort Sumter, and ended on April 26, 1865 when General Johnston surrendered. There were about 4,000,000 troops in the war. tion of the union and the end of slavery.

When Buchanan was serving his last months as president, a number of things happened. Governor Pickens sent agents to Washington to claim possession of U.S. property in his State and the forts in the Charleston Harbor on Dec. 20, 1860.

South Carolina seceded from the Union. Anderson secretly conveyed his two weak battalions from Ft. Moultrie to Ft. Sumter on Dec. 26. While Pickens seized the arsenal and other forts and started to throw up batteries against Sumter, his agents in Washington demanded that the Federal troops be called back from Charleston. Buchanan refused this demand. In his message to Congress, he had already refused the right to secession; however, he limited this refusal by expressing the belief that no right was given to him by the Constitution to try coercion. Six other states followed South Carolina's pattern between Jan. 9 and Feb. 1. Their governors, without trying negotiation, attacked all the arsenals and forts in their individual States, other than Ft. Pickens in Pensacola Harbor. At Montgomery, Ala., delegates from the seceding States confronted and formed the Confederate States of America with Jefferson Davis as President. On Feb. 18 he was inaugurated.

The currency of the South was a good sign of the disadvantages which it fought. Its unprepared government never was able to bring under one control the issue of money. States and even troop services made bills besides the central government. Because of the severe paper shortage, the only kind of paper they could use was low-grade paper and sometimes the bills were only printed on one side to cut costs. North Carolina issued a 5c note because coin was so rare. The confusion in the issue of money was a gift to counterfeiters, also some Northerners whose handiwork was secretly urged on by the Union government. The circulation of counterfeit money further undermined the financial status of the South.

The North had more than enough paper stocks and things to make printing easy, and it could spare to use them on such relative extravagances as illustrated popular song sheets and schoolbooks with warlike themes. The song sheets had an enormous sale.

Library Summer Reading Program Enlivens Leisure

"The summer in Lake Villa is neither long, dry nor dull," says Mrs. Ted Belke, librarian, of the activities at the Lake Villa Township Library.

The younger children's Story Hour is very successful, she said. Parents of pre-school children and primary students are encouraged to bring their children to the Story Hour each Saturday at the library from 10:30 to 11:30 a.m. A favorite reader is Mrs. Donald Oelerick, who reads especially well to the young children.

A reading program designed to stimulate reading of the 5th through 7th grade children is being enthusiastically received. The area of reading has been divided into four groups: science, fiction, sports and biography. Any child who reads two books from each of the four categories will receive a reading button at the close of the program. This activity is open now and will close Aug. 19. All 5th through 7th graders in the area are invited to enter. Further information is available at the Lake Villa Township Library.

GAS Water Heaters excel in every way... operate at lowest cost

Gas heats water really fast. Instant heat plus stepped-up burner capacity on today's heaters means you can depend on a generous supply of hot water—any time—with gas. For example, modern 40-gallon automatic gas water heaters reheat up to 42 gallons an hour!

Consider your own peak needs. Tub bath, 15 gallons... shower, 3 gallons per minute... dishwasher, 7 gallons a load... automatic clothes washer, 20 gallons a load... regular washer, 17 gallons a load. You can depend on today's gas water heaters to serve all your needs.

The fastest hot water is cheapest, too. In fact, enough hot water for an

average family—about 60 gallons a day—costs only \$37 a year with gas. The same amount of hot water with other type heaters would cost \$65. Gas brings you true luxury, at lowest cost.

Now is the time—ask about our LIBERAL TRADE-IN OFFER!

Get a special trade-in allowance now toward a new, high recovery automatic gas water heater! Famous makes such as Penfield, Rex, Rheem, A. O. Smith—heaters so good they're backed with extra long, extra-inclusive guarantees of 10 to 15 years! Save now. See your plumber/dealer, or visit your nearby Northern Illinois Gas Company store.

NOW'S THE TIME to save more truck dollars on the more-for-your-dollar trucks!

Your truck dollars are worth a whole lot more at your Chevrolet dealer's right now! First off, you get a head start on saving because summer's the saving season. Then, with a harder working, easier riding Chevy truck, you're set to save every mile you haul. And, finally, at trade-in time, you can expect an extra dividend because of Chevy's traditionally higher resale value. What could be better?

Summer's the season to get extra mileage from your dollars on the trucks built to give you extra miles of hauling. With Independent Front Suspension, Chevrolet trucks keep going thousands of miles longer because far less destructive jar and shake are transmitted through the truck. Chevy I.F.S. trucks work harder, too, in areas where other trucks have to be pampered. And, with Chevy's wide choice of thrifty 6 and hardy V8 power, you can tailor your truck exactly to your job. So how can you miss—especially now during the summer saving season?

Korean War Vet Pays Off in Blood, Is Now Member of One Gallon Club

Membership in the exclusive "One Gallon Club" of the Jacob Blumberg Memorial Blood Bank has been accorded George Francis, secretary of the Libertyville Federal Savings and Loan Association for his efforts in boosting membership in the blood bank.

Francis had lined up more than a dozen new members for the blood bank and has made sure that the people he has signed up will be members in good standing by making the one pint of blood donations himself in their behalf.

During the past two years he has averaged a visit every two months to the blood bank headquarters at 1350 N. Sheridan Road, Waukegan, adjacent to the Victory Memorial

Hospital, to donate a pint of blood for his flock.

"Blood bank membership is insurance for the family against emergencies the same as life insurance, auto insurance or medical insurance and should be part of a family's overall insurance program," Francis said.

A veteran of the Korean War, Francis first became interested in blood bank work when he was called as a "volunteer" donor in Korea to help replenish the supply of whole blood being used to treat the war wounded.

"I learned then how important blood is in treating people undergoing surgery," Francis said, "and I

made up my mind to see that as many people as possible were provided with all the blood they would need in an emergency."

Through membership in the Blumberg Blood Bank these people will have an ample, ready supply of blood available if they ever need it without having to pay \$25 or more a pint to get it," he pointed out.

Francis signed up members of his family and then turned his attention to his fellow employees at the Federal Savings and Loan Assn. and expects to have the full staff enrolled in a few more weeks.

"If everyone would take advantage of the opportunity to enroll with the Blumberg Bank we could eliminate the recurrent efforts of friends and relatives to line up donors to replace blood given to surgical patients," Francis pointed out.

Views of Farmers Form Base for New IAA Policy

A 4½ month job to learn the views of Illinois farm people started last week as 31 Farm Bureau leaders from throughout the state met this week in Bloomington to convert

The Jacob Blumberg Memorial Blood Bank, now in its 11th year, was developed by the Lake County Medical Society in cooperation with the Blumberg family to provide free blood for members and their families.

Membership is open to all Lake County residents without charge and application blanks and information on the blood bank can be obtained from doctors or hospitals in the area, all of which are served by the facility.

farmers' suggestions into Illinois Agricultural Association policy. The 31 farm men and women form the tentative resolutions committee of the statewide Farm Bureau, an organization with more than 180,000 farm families as members.

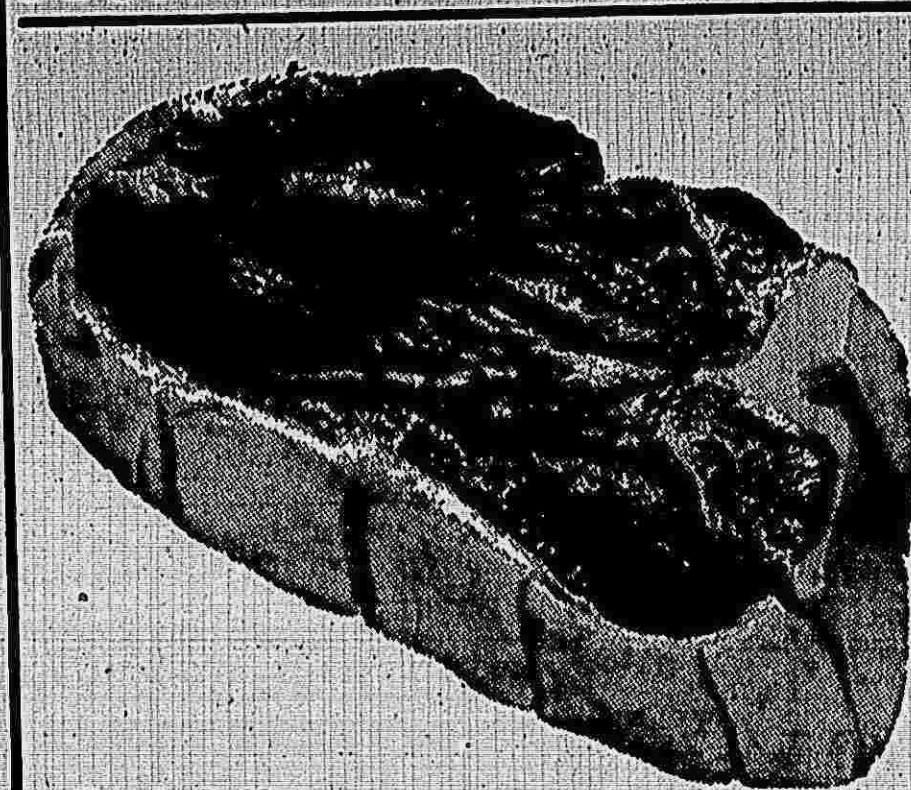

Before the committee submits its final report at the IAA annual meeting at St. Louis in mid-November, it will hold many meetings, listen to reports from agricultural leaders, and weigh many suggestions submitted by County Farm Bureaus and individual members—suggestions all aimed at persuading the committee that their suggestions merit consideration by the 500-plus voting delegates at the IAA annual meeting.

Edwin J. Gumm, IAA vice president from Galesburg who is chairman of this committee, reminded its members that Farm Bureau's approach in establishing policy is

unique. "I know of no other organization that gives its members the opportunity to participate in the policies of the organization as does the IAA. This opportunity to make policy also is present in every other state through Farm Bureau, and on national policy is present through the delegates of the American Farm Bureau Federation."

Post Auxiliary Members to Join State Meeting

The 41st annual state convention of the American Legion Auxiliary, Department of Illinois, will be held at the Morrison Hotel in Chicago, July 27, 28, 29.

Mrs. Mary Chase, president of Antioch Auxiliary unit, will attend the convention from Antioch, along with Mrs. Lydia Edwards, Mrs. Lucy Himes and Mrs. Carolyn Horan.

The convention attended by approximately 1,500 delegates and alternates will be presided over by Mrs. Mabel Kirkman Grice of Kankakee, state president.

Business to be conducted at the convention will include the election of state officers for the ensuing year and the reports of state chairmen on work accomplished during the past administrative year.

The national vice president, Mrs. Prince R. Black of Mound City, Mo., will be the principal speaker at the July 29 session. She will represent the nine mid-western states of the Auxiliary's Central Division, with membership totaling approximately one-third of the Auxiliary's more than 900,000 members nationally enrolled.

The national convention of the American Legion Auxiliary will be held in Denver, Colo., Sept. 11, 12, 13, 14, 1961.

Garden Club Plans Pot-Luck Picnic

Members of the Antioch Garden Club will be entertained Monday at the home of Mrs. Walter Thompson, of Spring Grove, with a pot-luck picnic.

Mrs. Edward Dompke will serve as co-hostess.

Lindhurst Rummage Sale Planned Sept. 16

By Mrs. Bernice Bernau
The Lindhurst Woman's Club will hold its annual rummage sale Sept. 16, it was announced today. The date was set at last week's meeting. The sale to be held in the new civic center there, will be chaired by Mrs. Edward Bernau.

Also discussed at the recent meeting was an amendment to allow women living in the unincorporated area of Lindhurst to join the club. A decision will be made on this issue at next week's meeting of the executive board.

Plans were announced for the Luau to be held Sept. 30 at the center. Lu Stanley disclosed the elaborate menu planned. Tickets will go on sale soon under Mrs. Babe Hartwig, chairman.

The western party, originally scheduled for this fall by the club, will be held next year before the Lenten season.

Women Gardeners Attend State Meeting in Geneva

By Mrs. Bernice Bernau
LINDENHURST — Mrs. Hubert Bechtol, 2200 East Witchwood Lane, and Mrs. Gus Fabry, 2126 East Fairfield Road, attended the second summer meeting of the Garden Club of Illinois last week in Geneva, Ill. They represented the Lindhurst Garden Club at the session, held at the Fox River home of Mrs. Clifford Carlson.

Some 150 women from clubs throughout the area attended the meeting at which Mrs. Carlson discussed herbs. Setting for the meeting was the spacious grounds of the Carlson home on the banks of the Fox River.

Robert Hamlin and Bride to Make Home in Suburban LaGrange

By Mrs. Fred Bartlett
LAKE VILLA — Miss Sharon Dreis, of LaGrange, and Robert Hamlin, son of Mr. and Mrs. Lester Hamlin, local residents, were married July 8 in La Grange. The ceremony was held in St. Francis Xavier Church there.

A reception for friends and relatives followed at John's Restaurant in that city.

After the honeymoon at Pensacola Fla., the couple will make their home in LaGrange.

Rainbow Girls To Mark Friends Night on Monday

The Antioch Assembly, Order of Rainbow for Girls, will meet at 7:30 p.m. Monday at Wesley Hall of the Methodist church for observance of annual Friends Night.

Girls from neighboring assemblies will fill stations.

Mrs. Kay Boiler, mother advisor of Harvard Assembly, will be guest mother advisor for Mrs. Wilma Gibbs. Jane Lassen and her mother and committee will be in charge of refreshments.

Invited are members of the Eastern Star and Masonic Lodge. Guests are invited after 9 p.m.

16 from Rainbow Attend Assembly

Mrs. Wilma Gibbs and Mrs. Jeanette Brown returned Thursday evening with 16 Rainbow Girls of the Antioch Assembly after attending the four day session of the Grand Assembly at the Conrad Hilton Hotel, Chicago.

On Monday, following the Grand Cross of Color Degree Banquet, Mrs. Hazel Parfitt, the Rev. Wallace Anderson, Dee Stillson and Joan Wagner received their degrees of the Grand Cross of Color.

Also attending the banquet, held in the Grand Ballroom of the hotel, were Grand Cross members Mrs. Jeanette Brown, Sigge Petersen, Donna Gibbs and Mrs. Wilma Gibbs.

Girls attending the Fidelity Session on Tuesday, and later sessions, were Dee Stillson, grand representative to North Dakota; Joan Wagner, who served as grand page to Mrs. Mary Abt, supreme inspector; Pat Brown, Sharon Langbein, Harriet Wells, Lynn Ott, Marguerita Gilum, Pam Hagstrom, Pat Heath, Nancy Erickson, Roselle Barnstable, Roberta Arndt, Lorraine Gibbons, Susan Bloom, Randy Gordon and Carol Wiegart.

Susan, Randy and Carol were in the grand choir.

The event opened Tuesday morning with about 1000 girls from Illinois registering. During the sessions Dee Stillson was elected to the station of Grand Hope. Closing the Grand Assembly was the installation of officers in which Miss Sharon Walsh of Belleville was installed as grand worthy advisor for the state.

Members of the Assembly expressed appreciation to friends and businessmen for donations which allowed the 16 girls to attend the Chicago sessions last week.

CORRECTION

In announcing the attendance of Arthur Hanke at Stout State College summer sessions The News last week incorrectly listed school enrollment as 50. It should have read 550.

Last-Inning Rally Gives Babe Ruth's 4th Straight Win

A bases-loaded double in the last inning by Wally Henning, Jr., proved the margin of victory as Antioch's Babe Ruth entry downed Lake Villa 7-2 last Saturday at the high school athletic field.

If that wasn't enough, Norb Wolters followed Henning by belting a triple to left center, sending Henning home. Jesse Inman continued the last-inning uprising by singling, stealing second and scoring on Jim Barnstable's single.

The victory marked the fourth straight win for Antioch.

Brian Cranley went all the way on the mound for the locals.

Main power at the plate was contributed by Inman, with a perfect three hits in three times up; Henning, with two for three; and Cranley, also with two for three.

June Construction Off Slightly in Lake County

Housing permits in Lake County for the month of June totaled 55 valued at \$841,450, it was announced today by a survey of new building issued by Bell Savings & Loan Association.

The number of permits for June equalled the 55 issued in June of last year, but total valuation was off slightly. June, 1960, permits in Lake County were valued at \$975,000.

Building of all types in the county last month totaled \$1,099,499, a sharp drop from \$1,773,134 recorded in May of this year, and slightly under the \$1,217,768 contract valuation in June of last year.

In a recapitulation of the entire Chicago area construction picture, Bell reports that suburban apartment-unit construction during the first half of the year was the highest on record.

Permits for 4,676 suburban apartment units have been issued so far this year.

One of the wonders of the ancient world was the walls of Babylon, built about 600 by Nebuchadnezzar. Some 56 million bricks from it have been accounted for to date, each one bearing the name and seal of the king.

Girls State Delegate Reports to Auxilliary

Miss Judith Vejvoda, Girl Stater sponsored by the Antioch Unit, American Legion Auxilliary, was speaker at the meeting of the Auxilliary last Friday evening. Miss Vejvoda spent a week at MacMurray Campus, Jacksonville, site of this year's Girls State, and reported on events there.

She will be a counselor at State next year.

Installation of Legion and Auxilliary officers for the coming year will be held Thursday, Aug. 3, starting at 8 p.m. in the Legion Home. The Auxilliary will have its next regular meeting on Aug. 11.

The mind of a child is like a narrow-necked bottle. It will take lots of learning in little drops, but any large dose will run over and be lost.

Burgeoning Birth Rate Reported by Condell Hospital

Lake County's blossoming school population is assured for the years ahead with the announcement this week that a near-record number of births were recorded at Condell Memorial Hospital during the month of June.

In a report released by Mrs. Irene James, hospital administrator, it was revealed that there were 79 babies born in 78 deliveries with one stillborn during the month of June. This compared to the all-time high of 81 births in 79 deliveries recorded in June, 1958, according to Mrs. James.

The births were evenly distributed between boys and girls with 40 male births and 39 female births, Mrs. James reported.

High point of the month was reached on June 20 when there were more babies than rooms in the maternity ward making it necessary to place some of the mothers and new babies in the regular section of the hospital.

Although most of the newcomers are from Libertyville and Mundelein, neighboring communities such as Grayslake, Wauconda, Antioch, and Lake Zurich were also represented among the new births.

Things are difficult or impossible only in relation to our ignorance.

Pick These Tomatoes Before They Ripen

During the summer, home gardeners should pick tomatoes when they start turning pink, advises a University of Illinois vegetable crop specialist, Joe Vandemark.

The only exception to this rule occurs when daytime temperatures average above 80 degrees. Then first pick them when the tomatoes first begin to color. Otherwise they will become soft and color development will be poor.

Contrary to popular belief, tomatoes picked before they are ripe are firmer and have a better flavor than vine-ripened tomatoes.

After picking, store at 68 degrees

Lions Name DesPlaines Attorney District Head

The Lions of this area have named Milton H. Tuttle, Des Plaines, as their new district governor for 1949-50. The district comprises an area in Cook and Lake Counties running from Park Ridge north to Wisconsin, and is made of 40 clubs in the area.

The new governor has been a member of the DesPlaines Lions for the past 10 years, during which time he has held most of the elective offices. He is a past president and winner of the Lions Extension Award made for assistance in organizing two additional Lions Clubs in the district. He is an attorney and tax collector for Maine Township.

F. This temperature causes further ripening without spoiling the fruit. If temperatures are any lower, the fruits take longer to ripen.

Never refrigerate tomatoes before they ripen.

2 Among 5,517 Winning Degrees at U. of Illinois

Two local students are among 5,517 who received degrees at the University of Illinois during the past year.

Arlene Y. Cribb, Alnear Rd., received a bachelor of science degree, and Janet G. Rogers, Bluff Lake, bachelor of arts. Both were in the February graduating class at which 1,277 students received degrees.

Degrees were conferred on 2,022 students last month at Urbana.

THE FLAMELESS ELECTRIC KITCHEN

WHEN YOU MODERNIZE YOUR KITCHEN, REMEMBER...

A flameless electric kitchen won't go out of date

Planning your kitchen remodeling is like planning your kitchen work for the next 20 or more years.

Naturally, you want to make sure that the money you invest and the appliances you select will pay you back with easier meal-making, pleasanter surroundings and a kitchen that's easier to clean and keep clean.

A flameless electric kitchen offers you all of these things and more.

Take the electric range, for example. This is the heart of every flameless electric kitchen. With it, you can cook your meals without overheating your kitchen (or yourself). The oven is insulated on all six sides, not just five. Hardly any heat escapes. The surface units transfer heat directly into pans and into foods—not into your kitchen.

And because electric ranges burn no fuel, no dirt is created. Your kitchen (and everything in it) stays clean twice as long.

Before you spend a penny on kitchen remodeling, get a professionally-prepared plan based on your specific needs and budget. An experienced kitchen specialist can show you how imaginative planning can save you steps and eliminate unnecessary bending and reaching. He can also help you work out color schemes and lighting effects and help solve storage problems.

For the names and addresses of kitchen modernization specialists in your area, call your nearest Public Service Company office.

Countryside Benefit Breakfast This Sunday Scheduled by Garden Club

By Mrs. Bernice Bernau
Elliot 6-5649

LINDENHURST—Members of the Lindenhurst Garden Club are participating in the fund raising drive for the Countryside Hospital. Next Sunday a breakfast will be served at the home of Mrs. Hubert Bechtol, president of the Garden Club, 2200 Witchwood Lane. Four strips of bacon, two eggs, hot biscuits, coffee or milk will be served for one dollar, half as much. Members helping Mrs. Bechtol are Mrs. Lorraine Shutt, Mrs. Dolores Meier and Mrs. Diana Barnes. Reservations must be made by Thursday.

Tables will be set up in the backyard where the men will cook on grills, and the ladies will keep biscuits and coffee coming.

Carole Drago, of 1803 Elmwood Drive, left Friday for a three week vacation in Northridge, Calif., where she will stay with her paternal aunt, Mrs. Rose Consiglio.

Mr. and Mrs. Tony Drago are on vacation for the next three weeks. They plan on remaining at home to get caught up on jobs not done all year long. A few short trips are planned.

At the Junior Police Club meeting last Tuesday, it was announced that Jim Shor, received the \$5 award in their recent fishing contest. Runners-up were Jim Jacob, Bill Kaub and Randy Maxwell.

The boys were asked to report

anyone breaking windows in the B. J. Hooper School and to be on the alert for those who may be responsible for painting the Lindenhurst water tower.

Mrs. Ed Bonovitz of 1809 Fairfield Road was guest of honor at a baby shower last Monday. The shower was given by Mrs. Barbara Koeppe and Mrs. Rose Anne Roht at the home of Mrs. Lou Alwardt. Those attending were Mesdames Marge Moffitt, Eileen Springer, Pat Parpan, Evelyn Gilliland, Rose Witlock, Bernadine Kurzin and Babe Standford.

The Bonovitz' have two children, Ricky and Debbie. The new arrival is due the end of September.

Mr. and Mrs. Paul (May) Hunt, of 204 South Countryside Lane, are expecting a fourth child next December. They have three children—Gary, Bobby and Linda.

Mrs. Emert (Lola) Roos' last week in Lindenhurst was a busy one. All her furniture was shipped to Saginaw, Mich., on Wednesday, but she stayed here until Sunday, when her husband came for her and the children. Wednesday evening she had supper at the home of Mr. and Mrs. Kenneth Erickson. Thursday at the home of Mr. and Mrs. George Orbank, and on Friday, Mrs. Charles Pawlowski of 1815 Maplewood Court, gave a going away coffee klatch. Those attending were Mesdames Elaine Micklauth, Terry Erickson, Martha Orbank, Evelyn Gilliland, Nancy Straka and Ruth Lund. Mrs. Roos and her family were the weekend guests of the Pawlowskis.

Robert Smith, 8½ of 2214 Valley Drive won't be climbing trees for some time. Last Thursday while he and some of his buddies were climbing a large tree on Beck Road and Valley Drive he fell and fractured his collar bone. The Lake Villa Rescue Squad took him to Dr. Midgley. From there they took him to Condell Hospital in Libertyville for x-rays.

The Lake Villa Rescue Squad was called last week for little Frankie Anderson, 3½ of 1904 East Hazelwood Drive, when he accidentally stepped on a nail which penetrated his foot. He was taken to Dr. Tauchas for tetanus shots.

Mr. and Mrs. Mike Fidanzo, Mr. and Mrs. George Lance and Mr. and Mrs. Augie Matthies spent their vacation together last week at Lac du Flambeau Indian Reservation. They stayed at the Shore Crest Resort. Swimming, fishing and dining were the mainstays.

While they were gone Mr. and Mrs. John (Rosalie) Colucci, of Berwyn, and their two sons, John Michael and Paul, stayed at the Fidanzo home with Mickey and Linda Lance.

Mr. and Mrs. Harold Sokup, of 2103 Woodlane Dr., gave a party recently for Harold's brother, Fred, his wife, Dorothy, and son, Marty, who are visiting here from North Hollywood, Calif. They formerly had a summer home in Venetian Village. Friends and relatives who dropped by were from Fox Lake, Venetian Village, Mundelein, Berwyn, Chicago, Wisconsin and Fox Lake Hills. They were here until yesterday.

The "Wood-chicks" and their husbands held a barbecue at the home of Mr. and Mrs. Warren Flint, 2415 East Thornwood Drive, last Saturday evening. Attending were Jerry Duseks, Ken Maloneys, Fred LaChances, Lou Hartokolls, Bob Karys, Jack Thompsons, John Tomasiks, Tony Romanos, Clarence Kleffners, Al Gibbs and John Piefer.

West Miltmore parents are requested to stay with their children and not drop them off and leave them unattended at Miltmore Beach. From 50 to 100 children are sometimes left alone here at one time. The life guard is on duty on Saturdays, Sundays and holidays only.

Bob Smith, of 1905 East Pinecrest Lane, is home recuperating from an appendectomy performed July 10. Saturday evening he and his wife, Dorothy, helped the Warren Browns celebrate their 25th wedding anniversary with a party at Hank's Supper Club in Waukegan. The Browns live in West Miltmore.

Mr. and Mrs. Tom Cox and son, Tommy, of Chicago, and Mr. and Mrs. Jerry Wheeler and daughter, Eileen, of Chicago, were Sunday visitors of Mr. and Mrs. Clarence Kleffner, of 200 Beck Road. They held a barbecue picnic lunch and later swam.

Mrs. Sam (Mary) Loblillo, of Countryside Lane, is a patient at St. Therese Hospital.

Milton Lazansky, of Hawthorne Drive, celebrated his birthday July 14.

The Altar and Rosary Society of Prince of Peace Church, Lake Villa, is still seeking Hills Coffee bands. The bands to get will apply on coffee urns to be used at the festival in August. The name and the number of pounds is needed. Bands may be sent to Mrs. Wanda Weiss, 411 Corona Drive, Lake Villa, or left at the rear of the church.

Mr. and Mrs. Hubert Bechtol, of 2200 East Witchwood Lane, were initiated into the Order of the East-

ern Star of the Millburn chapter recently. Their daughter, Alice, was taken in two weeks ago.

To celebrate Francine Henry's fourth birthday recently, the family went to Lincoln Park zoo in Chicago. While there they enjoyed a picnic in the park. Francine is the daughter of Mr. and Mrs. Frank (Alta) Henry, of 2112 East Burr Oak Lane. The other children are Toby and Regina.

The Lindenhurst Daales Juniors participated in the "Share the Fun" night in the Warren Township High School in Gurnee earlier this month. Among those attending were Sandy Hertel, Linda Lloyd, Judy Spieg, Jean Bywell, Linda Matthies, Kathy Meres, Donna Maxwell and Linda Bywell. Carolyn Westberg played the accordion for them to dance to when they danced the Virginia reel. While they danced, those in the background were Beverly Bybee, Amy Mindak, Carol LaBarbera, Debbie Meres, Dolores Zanzola and Maxine Shutt. The girls received a green ribbon. Mrs. Andrew (Edith) Westberg is their leader.

The "Ruralites," 4-H Club of Lake Villa Township, received a blue ribbon for their "Three Little Pigs" pantomime act at the "Share the Fun" Festival. Mrs. Frank (Roberta) Grenus is their leader.

Betty Janega won a Haeger pottery vase, Dolores Povillatt a sectional relish dish and Ida Christensen a covered candy dish when the "Night-owls" played canasta at Helen Mindak's home at 105 North Hawthorne Drive here recently. Also playing were Georgia Sutherland, Mel Uebele, Bert Hargre, Ruth Burke and Pat Schartz. For refreshments punch, potato chips, candy, coffee, iced tea and pie ala mode were served. Members plan a night out July 22, when they will see "The Pleasure of His Company."

Susie Drago celebrated her ninth birthday recently, with a family party. The other members of Susie's family are Mr. and Mrs. Tony (Sandy) Drago, Ricky, Carol and Johnny. They reside at 1803 Elmwood Drive. Johnny sprained his foot recently, which has cramped his baseball playing with the Cubs.

Plan Program of Adult Education On Civil Defense

George T. Wilkins, superintendent of public instruction, today announced that his office has entered into a contract with the United States Office of Education to organize and operate a civil defense adult education program for the State of Illinois. This program will supplement but not replace the activities of the Office of Civilian Defense Mobilization. The program is designated as the Civil Defense Adult Education Program. The title of the course will be "Education for Survival."

The purpose is two-fold. First, to conduct an education program in civil defense through organized adult education channels that alert adults of the state to the need for civil defense, and give them experience in personal survival planning so they can fulfill their responsibilities as individuals in time of disaster. Second, to develop teaching techniques and instructional materials which may along with other states be consolidated into a handbook on civil defense adult education.

Wilkins says that in his opinion this program will aid in the development of more effective techniques of survival on the part of a greater segment of our population. He says, "It is possible that what we learn today about biological, chemical, nuclear, radiological and other hazards may permit us to live tomorrow."

According to Wilkins the general administration of the program will be exercised by Scott A. Funkhouser, supervisor of General and Related Services of his office. Other staff members assigned to the program are Anton Perne who will be state coordinator and consultant for Central Illinois, E. W. Boeker, consultant for southern Illinois and Hal Hall, consultant for northern Illinois.

Christ Scientists Begin New Series

The actual people who had the experience tell what happened in a television series which Station WKBK, Channel 7, carries every Sunday morning at 8:15. The series is "How Christian Science Heals"; the people who appear are not actors.

The July 23 program is "Victory Over Loss," in which two Texans tell how they overcame the challenge of loss by gaining a lasting awareness of God's ever-present care. The program features a Houston man's handling of a severe financial loss and a Dallas woman's overcoming of grief.

The only exercise some people get is jumping at conclusions, running down their friends, sidestepping responsibility and pushing their luck.—Inter-County Leader.

Cubs Continue Winning Ways in Little League

By Mrs. Bernice Bernau

LAKE VILLA—The Cubs continued their lead in the Lake Villa Little League when the Dodgers forfeited last week's game. The Cubs now hold a 7-0 record, followed by the Braves at 6-2.

The Sox climbed into a tie for third by downing the Pirates 8-6 and the Braves thumped the winless Dodgers 18-8, the eighth straight loss for the losers.

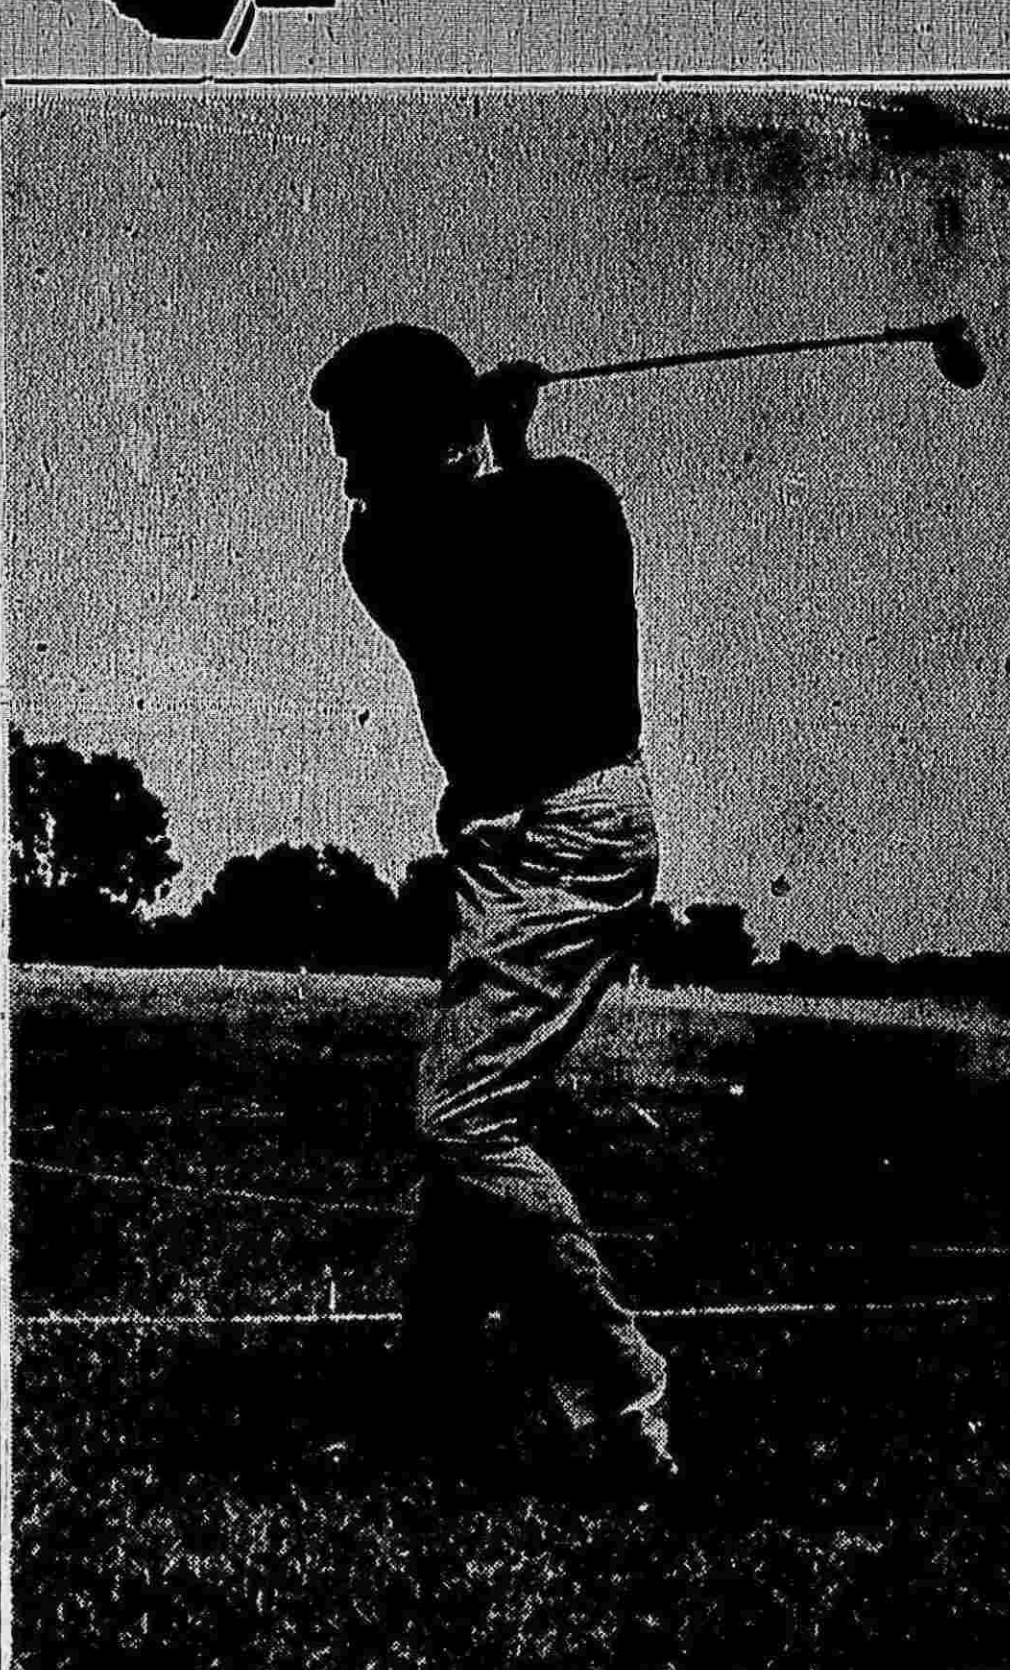

In the all-star game played Sunday on the local field, a squad composed of second, third and fourth place teams beat a squad composed of men from first, fifth and sixth place teams, 7-3.

In citing the good play of the league-leading Cubs, Tony Romano and Ted Flanagan, manager and coach, respectively, disclaimed any credit for the team's showing to date. Instead, they credit it to the sound playing of the boys. Several have been playing for three years.

Helping keep the team on top are players Richard Slavik, Richard Schneider, Gary Fee, Ralph Zanc, Dick Cullignon, Jim Gawronski, Phil Jackson, Jerry Dusek, Bill Flanagan, Jim Austin, Larry Davis, Billy Hamm, Ed Powell, Steve Schmeisser and Johnny Drago.

Schedule through the week: July 20—Pirates vs. Dodgers; July 21—Cubs vs. Sox; July 22—Dodgers vs. Braves; July 25—Yanks vs. Pirates; July 26—Braves vs. Sox. The 15 members of the Braves Little League Club presented manager Ray and Mrs. Parpan with a card, "God's Masterpiece," and funds to purchase a gift for an expected new arrival. The gift was in appreciation of the Parpan's interest and leadership of the Little League club.

News of Lakesports

JOHN "PIC" WAGNER, Spring Valley pro, leads Kenosha open after 36 holes with a 139. Wagner set a new club tournament record with a 69 last Sunday.

Wagner Sets S. V. Record To Lead Open

John "Pic" Wagner, Spring Valley pro, is leading the Kenosha open with 139 after 36 holes of play.

Wagner shot a blazing 69 last Sunday on his home course to set a new tournament record. He stepped out in front in first round play Saturday by shooting a 70 at the Petrified Springs course near Racine.

Dick Adamson, of Kenosha, a sophomore on the Notre Dame University golf squad, is close behind Wagner with 141, followed by Mike Smolinski, Kenosha, 1959 open champ, who has a 145 for 36 holes.

Tee off time in the third round of championship play will be at 1:48 p.m. Saturday at the Maple Crest Country Club. The Championship will be decided Sunday at the Kenosha Country Club.

Golfers Near Semi-Finals for Walker Trophy

Winners of third round match play at Spring Valley Country Club are expected to battle it out this weekend in semi-finals to the coveted Mead Walker Handicap golf trophy.

In third-round play Al Nelson won over Fred Hawkins, two up with one hole to go, and John Roach downed Charles Miller, two up with one to go.

Winners in third-round competition between Joe Pardi and Gil Morgan, and Joe Janotta against Jim Fields, will meet Nelson and Roach in the semi-finals, with winners meeting for the trophy.

Championship play must be completed before July 31.

The trophy was won last year by Howard Shepard, who was dumped by Joe Pardi, who shot a two over par 72 for his victory.

pected new arrival. The gift was in appreciation of the Parpan's interest and leadership of the Little League club.

Signing the card were Brave members Tom Janka, Randy and Mike Koeppen, Brian and Kenny Wells, Jim Jakob, John Thompson, Jerry Gentile, Joe Hamm, Tom Lump, Steve Michlantsch, Neil Hanson, Jimmy Garrett, Butch Hoelster and Dennis Peterson.

R. Ratajczyk Wins 25-Lap Race Feature

"Rapid" Robert Ratajczyk stormed to his first feature win of the season in taking the 25-lap main event for the modified stocks before the season's largest crowd of 3,450 persons last Sunday at the Waukegan Midwest Speedway. The Milwaukee driver, who was among the top 10 point leaders after the 1960 season, averaged 49.15 mph in taking the victory by less than a car's length over Greg Krieger, a fellow Milwaukeean, and track champion here at Waukegan last year.

Ratajczyk, who had been black-flagged while leading the fourth heat event, took advantage of a near front starting position and a multiple pile-up that took other top favorites out of the running. On the second lap, Gary Sheldon, of Beloit, spun out and was clobbered by Jim Bozemann, Zion, and George Bellegante, Winthrop Harbor. The three sat in the middle of the backstretch for the rest of the race. Involved in the mishap were Bill Strom, and the evening's fastest qualifier, and Waukegan favorite, Bob Karry, putting them both out of contention.

Karry had averaged 50.28 mph in qualifying and then came from the rear of a 12-car field to take the fourth 10-lap heat event at an average speed of 49.34 mph. Karry took the lead on the ninth lap from another favorite Jack Radtke, who finished close behind.

Jim Flajter, Milwaukee, was knocked unconscious in the first heat when his car hit the concrete retaining wall and sailed down the main chute and into the turn completely out of control. The race was stopped and Flajter removed from his machine where his injuries were determined as not serious.

Swede Erickson, Gurnee, came through a multi-car pileup which completely blocked the south turn, requiring a restart, to take the 15-lap semi-feature averaging 47.32 mph.

The amateur drivers were all out in full force once again and two races were staged, both a 6-lap heat and 12-lap feature. Ed Jones averaged 42.68 mph to take the win.

Highlight of the evening was the season's first Demolition Derby in which stock autos were deliberately demolished by the drivers. Jerry Michaels, of Winthrop Harbor, won the event.

Next Sunday the speedway will present its eleventh consecutive Sunday night program of modified and amateur stock car racing.

Time trials start at 7:15 with racing getting under way at 8:30 p.m.

Keno All-Star Game July 22; Pittman Leads

Pittman Motors zoomed into first place in the Lake Keno softball league at Trevor last week by virtue of its 8-4 win over Genuld's Lounge and Emerson Buick's third loss, an 11-8 extra-inning setback, at the hands of Loon Lake Garage.

Pittman now sports an 8-2 record followed by Emerson with 7-3.

Big guns in the Loon Lake victory were Mike Haviland, player-manager, and "Stormy" Oberg, pitcher.

Top spot in Keno interest these days is the forthcoming wrestling card Aug. 4 and the all-star game Saturday.

Headlining the mat feature on Aug. 4 will be Johnny Kase of Antioch, midwest heavyweight champ, who will meet Billy Gilbert, of East Chicago, Ind., in a two-fall, 60-minute time limit match.

Also on the card will be midwest wrestling champs, Timmy Bell and Farmer McGruder, against two Canadian opponents to be announced, in a two fall, 60-minute limit match.

In a third match, Billy Goetz will meet Evon Lubich, sometimes called the Serbian monster, in a one-fall, 30-minute limit battle.

Musical sidights will be furnished by the Sportsmen.

The second annual Keno all-star game Saturday at the Golf View field will pit Spring Grove, Ill., against the choice of the Keno league players. Play will get under way at 8:30 p.m. League officials promise free refreshments to all fans.

Tickets to both attractions are available from all players and at the gate.

League standings as of this date:

	Won	Lost
Pittman Motors	8	2
Emerson Motors	7	3
Joe's Tap	7	4
Golf View Motel	6	5
Car-Lucy Clowns	6	5

Wilson's Laundromat Takes Bowling Lead

Wilson's Laundromat took over undisputed first place in Antioch Junior Major League bowling as Colonial Funeral Home dropped two games. Colonial's dual loss combined with three wins by Nick's Town Pizza placed those two teams in a tie for second in the league.

Outstanding scores were racked up by Bob Lenczewski with a 556 series; Jim Hallwas rolled a 514 series for Nick's Town Pizza; and Phil Mapleshorpe toppled the pins in games of 139-166 and 134 for a 439 series.

Ray Nosko turned in a good performance with a 558 series in games of 181, 161 and 166.

In the girl's division, Barb Casella rolled a 183 game for top honors. She bowled a 495 series.

Jill Thompson, bowling for Telephone Answering Service rolled a 416 series for her team.

Little League All-Stars to Meet Mundelein Tomorrow

Antioch's all-star Little Leaguers will journey to Mundelein tomorrow to meet Mundelein's best in the District 16 tournament there. The game will start at 6 p.m.

If victorious, the Antioch All-Stars will meet the Libertyville All-Stars the following night at 6 p.m.

Antioch is one of 12 teams entered in the tourney. Others are Morton Grove (2), Skokie (4), Lincolnwood (1), Edgebrook (1), Libertyville (1), Great Lakes (1), and Mundelein (1).

Fourteen players are being selected for the tourney from a list of 19 local Little League players; Dave Comstock, Tom Wilton, Steve

Henning, Don Zeman, Brad Ippen, Tim Osmond, Rich Mollini, Curt Ames, Stan Horton, Mike Stenberg, Rich Albans, Tom Blackman, John Brumbeck, Andy Dolling, Tom Jarmakowz, Rich Stone, Dick Petersen and Bob Mozzal.

Lyle Wilson and Lee Ippen will manage the Antioch All-Stars. Charles Worsley is representative. Standings in the Antioch Little League:

Dodgers	4	5
Sox	0	6

Yankees Lead Little League As Pirates Drop Close One

The surprising Braves shoved the Pirates into second place in the Lakeland Little League at Silver Lake last week behind the superb pitching of Jeff Wheeler, who struck out 12 Pirates in leading his team to a 4-3 victory. The cause was aided by the Braves' John Fleck who belted a home run, and Bobby Burmeister, who contributed a triple.

Jimmy Noonan and Tom Bobula each collected two hits for the Pirates.

In a game at Fox River Park, the league-leading Yankees had too much power for the Orioles and emerged the winners by 15-8.

Jim Williams sent out two homers, and Allie Luke a homer and two doubles for the victors. Mike Vanderzee singled three times for the Yanks. Luke was the winning pitcher.

For the Orioles, Jerry Scherrer, Rick Sarbacher and Mike Brice all collected two hits for the Orioles, with Brice sending out a triple.

The White Sox edged the Cubs at Twin Lakes 8-3 behind the pitching of John Bialek. Ron Halbach, Mike Thom and Marty Miller were strong at the plate, each with two hits apiece for the Sox. Miller and Thom both hit triples.

Kevin Kerkman doubled for the Cubs.

In earlier games, the Yankees slid to a close 6-5 win over the Braves at Fox River Park to retain their hold on first place.

Mike Vanderzee, winning pitcher, struck out five batters in two innings and banded out a triple and single at the plate. Tommy Lois drove in two runs in the third.

Jeff Wheeler, Pat Scheerer and Greg Horbach, with two hits each, led Braves at the plate.

The Pirates shut out the White Sox 7-0 as Gary Hilbert held the losers to three hits while striking out 11.

Ricky Wayne had two hits for the

Pirates, one a triple, while Hilbert and Tom Bobula each hit doubles.

In a game at New Munster, the Orioles beat the Cubs, 11-5. Jimmy Lois not only pitched the win, but had a perfect day at the plate—four for four. Lynn Rittner hit three for three, including a home run and a double.

Ronnie Bush had three for three for the Orioles, while Carl Schultz added a double and a single.

Dean Antes, with a double and single, and Ronnie Schultz with two singles and Billy Koehnke each collected homers.

Standings:

	Won	Lost
Yankees	14	3
Pirates	13	4
Orioles	10	7
White Sox	8	9
Braves	5	12
Cubs	1	16
